The National Association of Women Artists (NAWA) is proud to present its 135th Anniversary Annual Exhibition, a prestigious showcase of works by the organization's acclaimed Signature Members. For over a century, NAWA has championed women artists by providing a platform to exhibit their talents in the artistic heart of New York City. This year's exhibition promises to dazzle with a diverse array of artwork from artists across the nation. The salon-style presentation will fill the galleries with a comprehensive display of paintings, sculptures, photographs, mixed media, digital art and more. An online exhibition hosted by NAWA and One Art Space will further extend the reach and accessibility of this extraordinary collection.

A hallmark of the exhibition is the over \$13,000 in awards and prizes presented to distinguished works, reaffirming NAWA's commitment to supporting the professional growth of its members. The three esteemed jurors tasked with making these prestigious award selections are: Christine Mossaides Strassfield (Executive Director, Southampton Arts Center), Ksenia Nouril (Gallery Director of Exhibitions & Programs, The Art Students League of New York), and Grace Yeonsook Ji (International Curator, One Art Space).
